Dear Mr. Hall,

Thank you for your communication as an individual consumer of County of San Diego Behavioral Health Services (BHS). This letter serves to confirm receipt of your original communication letter received on September 2, 2020 (Attachment A).

As a follow-up to your letter, I wanted to confirm that the County of San Diego remains dedicated to ensuring compliance with all MHSAs requirements, as outlined in the Welfare and Institutions Code. Additionally, BHS remains committed to ensuring meaningful engagement with all stakeholders throughout the year in various settings and through different modalities, so we greatly appreciate your direct feedback as a consumer.

We would encourage you to review the ***MHSA Three Year Program and Expenditure Plan for Fiscal Years 2020-21 through 2022-23*** for a detailed narrative of the community engagement process, the robust array of programs funded through MHSAs, program outcomes and other key components of our system that are funded through MHSAs. We strive for continuous improvement and transparency to ensure our services across the continuum meet the needs of the vulnerable individuals within our community.

Please feel free to contact me if you have further questions or concerns.

Sincerely,

LUKE BERGMANN, Ph.D., Director  
Behavioral Health Services
